

NEBRASKA PHYSICS & ASTRONOMY SUMMIT

OCTOBER 7, 2023

9 AM - 5 PM

This conference is dedicated to providing a variety of professional development opportunities in astronomy and physics education for college, high school, and middle school teachers across the state of Nebraska. A theme of this event is the use of instructional technology to improve our teaching of astronomy and physics. The conference begins with a keynote, an exhibition hall, and your choice of four breakout sessions. After lunch, the second keynote and longer workshop sessions close out the day.
